Biddeston State School Playgroup is a community-based playgroup. It has a relaxed environment for Mums, Dads and children alike. Playgroup runs every Tuesday morning 9am to 11am.

Our playgroup encourages children to interact with other children, learn and develop new skills, explore with different crafts, play, and most of all, have fun.

It is also a time to make new friends, have time out from the day’s busy schedule and have fun with your children learning and playing.

For any queries please don’t hesitate to call the school on 46916145.
